

As ChesedChicago begins its 7th annual Shas for Shidduchim initiative, we appeal to our community to participate in this important event.

The vast power of limud haTorah and tzedaka, along with community achdus, cannot be understated.

This program provides Klal Yisroel with a tremendous z'chus. Each daf learned adds another powerful level to our collective plea to Hashem to help those in search of their bashert. The proceeds of the donations help ChesedChicago provide crucial shidduch and newlywed services year-round.

We encourage you to participate in this significant initiative.

May Hashem bless us all with success and happiness, and answer our tefillos for yeshuos and simchos in Klal Yisroel.
